December 2005

Dear Patients,

After forty-one years of providing dental care, I have made the difficult decision to retire. My decision came about quickly after recently meeting a gentleman who wanted to practice in our beautiful Hunterdon County.

Dr. Samuel Mastrobattista has superb credentials, graduating from Fairleigh Dickenson Dental School in 1983, and owning his own dental practice in northern New Jersey for twelve years. He resides in nearby Somerset County with his wife Debbie and two children, Nicole 14 and Brian ten. Dr. "Sam" has completed advanced training in many aspects of dentistry. He is a member of the American Dental Association, American Academy of Cosmetic Dentistry, and was awarded the prestigious fellowship at the Academy of General Dentistry. I feel very confident with him taking over for me. I strongly encourage each of you to remain patients of Dr. "Sam's" here at Walnut Pond.

Please come join me in an open house celebration of my years in practice, and allow me to introduce Dr. Mastrobattista to you. I hope to see you at Beaver Brook Country Club on January 22, from 2:00 to 5:00. We'd appreciate your RSVP by January 13, to enable Beaver Brook to arrange accordingly. Call my office at 908-735-8188.

Doris and I are spending this Christmas in California with our daughter and her family. We love Hunterdon County, our home for forty years, and plan to remain.

I truly appreciate the trust you have shown in me; I'll certainly miss the warm relationship I've developed with you over the years. It has been my great pleasure and good fortune to serve you.

Sincerely,

Dr. Thomas W. Hurban
